

# AQUANAUT SCUBA & SNORKELLING CENTRE

## SEAL TEAM

The PADI Seal Team is for young divers who are looking for action-packed fun in a pool by doing exciting scuba "AquaMissions." Have you ever wondered what it's like to dive with torches, drive the 'James Bond' style underwater scooters, take digital pictures underwater or float effortlessly like an Astronaut?

These are AquaMissions. You will learn the basics of diving and then you can try AquaMissions like navigation, buoyancy, underwater photography, environmental awareness and more. You will also get to play with the underwater torpedoes, Frisbees, scooters and other toys.

To become official members of the PADI Seal Team, kids must complete the first 5 Aquamissions which will be held once a month. Once the first 5 Aquamissions have been completed, the kids can then join on one of our 'Master Seal Team' programs where they complete a further 5 specialty Aquamissions, including things like 'night diver' and 'inner space' (hovering).
